

HEALTHY SEXUALITY EDUCATION FOR AGES 10 – 12

2022 SCHEDULE

Honest, accurate information about sexuality changes lives.

It dismantles stereotypes and assumptions, builds self-acceptance and self-esteem, fosters healthy relationships, improves decision making, and has the potential to save lives.

For these reasons and more, we are proud to offer Our Whole Lives (OWL), a comprehensive, lifespan sexuality education curricula for use in both secular settings and faith communities.
