Hymn #90

“From All the Fret and Fever of the Day”

1. From all the fret and fever of the day, let there be moments when we turn away, and, deaf to all confusing outer din, intently listen for the voice within.
2. In quietness and solitude we find the soundless wisdom of the deeper mind; with clear harmonious purpose let us then bring richer meaning to the world again.

Kindling the Chalice Flame

Bonnie Shelton

Deep calls unto deep, joy calls unto joy, light calls unto light.

Let the kindling of this flame rekindle in us

The inner light of love, of peace, of hope.

And "as one flame lights another, nor grows the less,"

We pledge ourselves to be bearers of the light, wherever we are.

-Gordon B McKeeman

Sung Response

“Chalice”

Chalice, chalice burning bright, help remind us with your light of how we'd like to live each day, with love and truth helping lead the way.

Hymn #123

"Spirit of Life"

Bonnie Howard, signing

Spirit of Life, come unto me. Sing in my heart all the stirrings of compassion. Blow in the wind, rise in the sea; move in the hand, giving life the shape of justice.

Roots hold me close; wings set me free; Spirit of Life, come to me, come to me.
