Unitarian Universalist Principles

We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote:

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

UUFVB Mission Statement:

We, a caring liberal religious community, encourage spiritual growth, provide education to our community, and seek justice for all.

Rev. Sarah York, Pulpit guest, Rev. Alexander, Worship Host
