

# Unitarian Universalist Fellowship of Vero Beach

## **Unitarian Universalist Principles**

We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote:

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

## **UUFVB Mission Statement:**

We, a caring liberal religious community, encourage spiritual growth, provide education to our community, and seek justice for all.

## **We Are a Welcoming Congregation**

June 27 – **“Stonewall”**

Pulpit Guest: Rev. Carole Yorke, Community Minister

Rev. Carole writes:

June 28, 1969. For the first time after years of repression, harassment, and violence by the NYC Police Department, gay men, lesbians, and transgendered people fought back in response to a routine police raid on the gay bar called Stonewall. This event changed the course of history for the millions of gay men, lesbians, and trans people in the US, as well as worldwide.
