## **Unitarian Universalist Principles**

We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote:

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

## **UUFVB Mission Statement:**

We, a caring liberal religious community, encourage spiritual growth, provide education to our community, and seek justice for all.

## **We Are a Welcoming Congregation**

The Unitarian Universalist Fellowship of Vero Beach seeks to foster a climate of purposeful inclusion of all regardless of gender, age, race, ethnicity, national origin, disability, sexual orientation, gender identity or expression. If you are gay, lesbian, bisexual, transgender, or if you think you might be, we welcome you to join with us—to participate fully and openly in our congregational life.

## Kindling the Chalice Flame

Rev. Chuck McNatt

A Symbol of Learning and Love

We Unitarian Universalists don't drink from our chalice.

Instead, we use it to hold the flame. The circle of the chalice helps keep the fire small.

The flame doesn't blind us. It doesn't burn us.

It gives us light, so we can see all the different things in the universe:

even the invisible ones, because the Unitarian Universalist flame is a light of learning.

The flaming chalice is a symbol of learning and of love. It's our symbol:

the symbol of Unitarian Universalism.
