CARING CORNER

Each week we gather, with our own joys and sorrows, gifts and needs. Let us hold these individuals as part of our greater whole, with a full and generous heart.

There are those who have pastoral concerns who wish to remain anonymous but be assured our minister and the pastoral care team are aware of these people and keep in touch.

Kindling the Chalice Flame

Rev. Chuck McNatt

We light this chalice as Unitarian Universalists - a symbol of the light which is the source of our lives and all that is.

We believe that light can be experienced and known through our liberal faith.

We do not own the light.

We know that light is also present in churches, synagogues, mosques, temples, and other houses of worship.

We know that light shines in our homes, places of business, schools, even in government buildings.

May we have eyes open to see that light and hearts open to know it.
