CARING CORNER

Each week we gather, with our own joys and sorrows, gifts and needs. Let us hold these individuals as part of our greater whole, with a full and generous heart.

Let us hold in our hearts and minds the following people:

Earle Kirkbride was hospitalized for Covid and is now recouping, Covid free at Willowbrook at Indian River Estates.

Jan and Dana Shaw both got walloped by Covid, Dana was hospitalized and now gratefully is home.

Our deepest sympathies go to Marilee Bell, as her husband Russ Bell, died in the care of hospice early Friday morning. Marilee is very grateful for all of the support and love during this difficult time. Russ was a superb intellect, thoughtful, unshakable, and a loving husband to Marilee for 62 years. To live in hearts that love is not to die.

All of these lovely people could use cards, or emails, please see your directory, for information. .
