CARING CORNER

Each week we gather, with our own joys and sorrows, gifts and needs. Let us hold these individuals as part of our greater whole, with a full and generous heart.

Let us hold in our hearts and minds the following people:

Earle Kirkbride was hospitalized for Covid and is now recouping, Covid free at Willowbrook at Indian River Estates.

Jan and Dana Shaw both got walloped by Covid, Dana was hospitalized and now gratefully is home.

Our deepest sympathies go to Marilee Bell, as her husband Russ Bell, died in the care of hospice early Friday morning. Marilee is very grateful for all of the support and love during this difficult time. Russ was a superb intellect, thoughtful, unshakable, and a loving husband to Marilee for 62 years. To live in hearts that love is not to die.

There are those who have pastoral concerns who wish to remain anonymous but be assured our minister and the pastoral care team are aware of these people and keep in touch.

Kindling the Chalice Flame

Barbara Dunst

We light our chalice today knowing that our hope and our passion are needed to change the world. We bring different gifts to the work, but we come together in one faith: that what we do makes a difference, both to our world and in ourselves.
